George,

Per your request, I made a document explaining the background, TMC's opinion and what we are proposing to NHTSA. This document is the same as the one sent to the President, VP, related SMD and MO, and related department in TMC.(I attached it FYI.)

Please take a look at the attached document and let me know whether it meet your demand. (Is attention(Jane and Sunagawa-san??) and Yokoyama-san's autograph necessary?)

And I confirmed that Yokoyama-san think that we need to issue our press release one week or two week after the meeting with NHTSA if NHTSA agrees to our proposal.

Thank you for your great support!!!!

Mitch
